Changes, New Partnership, New friends,
New Roads...

Production for the Airwaves

It's been all about the national airwaves lately!
Baseball, Race Cars and Rides!

So far this year, our production, voice talent, casting, and music scores have supported Comcast Up, Ford Motor Co., Brembo Brakes, Live! Casino, Morey's Piers, DE Lottery, Buzzsprout, National Geographic, Major League Baseball and more.

TV Actress and singer, **Kate Flannery** (The Office, Music with Jane Lynch) was here providing the voices for MLB Bobbleheads!! We laughed, shared music, and laughed some more.

One Trick Pony brought in another Morey's Piers radio-TV campaign. It's all about the 'Wooder Park'!

Another One Magnify campaign for Brembo Brakes and Gran Turismo, start your engines!

Live in the Studio

Spoken word, Indy, rap, singer-songwriters, ethnic, jazz and R&B, classical – A huge thanks to our seemingly endless traffic of talent.

Installs and Integration

Our New Partnership

After years of collaborations with one of New Jersey's premier AV installation integrators, **JD Sound and Video**, we are now providing a combined experience of resources and products while servicing the Mid-Atlantic and Northeast regions for the healthcare industry, education, municipalities, hospitality, fitness, houses of worship and more.
